Fort, BOMBAY.

Dear Sir,

The following is an extract from the Chief Electrical Engineer to Government, P.W.D., Bombay letter No.2415 of 29/9/42.

"I have the honour to acknowledge receipt of your letter No: T/L.7776 dated the 25th instant, and to inform you that, if your demonstrations are carried out under the personal supervision of Mr. G.R. Thom (who was issued a Class I Competency Certificate and Licence in 1932), an application should be made to Government in the Public Works Department under the proviso to rule 48 of the Indian Electricity Rules, 1937, for permission to carry out the demonstrations in question without employing a licensed electrical contractor."

This is in reply to our letter No. T/I/7775 of 25/9/42 of which Im enclose a copy

We will be very grateful if you would arrange to grant the necessary permission for the carrying out of these demonstrations without employing a licensed electrical contractor.

The matter is urgent as we have a number of Welding Sts under clearance which are required for urgent war work.

Yours faithfully,
GUEST, KEEN, Williams, LTD.

2. According to rule 48(1) of the I.E.Rules, 1937, no ~~xxx~~ electrical installation work, including additions, alteration, repairs etc. shall be carried out upon the premises or on behalf of any consumer or owner for the purpose of the supply of energy to such consumer or owner, except by an electrical contractor licensed by the Provl. Government. The first proviso to the rule further lays down that the Provl. Government may by notification in the official Gazette exempt, on such conditions as it may impose, any such description of work from so much of sub-rule (1) refd. to above as requires such work to be carried out by an electrical contractor licensed by the Provl. Government in this behalf.

3. In G.N.No.620/36-II, dated the 28/8/1941, the Government of Bombay has exempted the works carried out on the premises of certain institutions, administrations, and bodies from so much of Rule 48(1) mentioned above as requires such works to be carried out by an electrical contractor licensed by the Provl. Government. Amongst the institutions so exempted are the V.J.T. Institute, Bombay, and the College of Engrg., Poona, and the Seth Chimanlal Nagindas Industrial School, Ahmedabad. Messrs. Guest, Keen, Williams, Ltd. who want to carry on the demonstrations of El.Arc.Welding Plant, for which they have taken additional ~~x~~ supply of 400 volts from the B.E.S.T. and Co. request that their demonstrations should be similarly exempted. It is stated that Mr. Thom, Bombay Manager of the Firm, who was issued a class I Competency Certificate and a License in 1932, will be personally responsible for making connections to the 400~~x~~ volt supply for the purpose of demonstration. As Mr. Thom is a duly qualified man the application of the firm may perhaps be granted---

granted. If so, the drafts put up may issue after u.o.r. to El.Engr. to Government.

Indian Electricity Rules, 1937: Exemption of electrical installation work of the Lata Touring Talkies, Ratnagiri, from the Provisions of sub-rule (1) of rule 48.

GOVERNMENT OF BOMBAY.
Public Works Department.
Resolution No.6180/36.
Bombay Castle, 16th January 1943.

Letter from Mr.M.G.Shrikhande, Proprietor, Lata Talkies, Ratnagiri, dated the 9th December 1942:-

"The undersigned-the Proprietor of the above Touring Talkies-begs to apply for the exemption mentioned above owing to the fallowing circumstances:-

I intend to start my Touring Talkies very shortly. Due to the present stringent petrol rationing and the failure of thw working of the Gas-plants on the Ghat roads in this District and also unavailability of the motor trucks wex are unable to build the cabin on the motor truck. Therefore, till the duration of the war we have decided to camp at the following four places only in ~~hx~~ this District every year, viz.(1) Rajapur, (2) Deorukh, (3) Kankavli, (4) Sangameshwar. At each of the above places, the electrical installation will be carried out as per plans and specifications approved and passed by the Electrical Inspector, Bombay, and fresh electrical inspection done at each camp.

As there is no Electric Supply Company or any other ~~maxkaix~~ electrical installation in this entire District

no ---

no Licensed Electrical Contractors are available. The undersigned is a qualified Machnical and Electrical Engineer popessessing Diplama in Mechnical and Electrical Engineering of the College of Engineering, Poona, and also Certificate of Competency (Permit No.PS.197) from Electrical Department ,Public Works Department, Bombay. Under these circumstances, I have to request you to grant me the exemption mentioned above and to allow me to supervise and carry out the Electrical Installation work of my 'Touring Talkies only at the places mentioned above.

Hoping to get a favourable reply and thanking you in advance."

RESOLUTION.- In exercise of the powers conferred by the first proviso- to sub-rule (1) of rule 48 of the Indian Electricity Rules. 1937, the Government of Bombay is pleased to exempt the electrical installation work of the Lata Touring Talkies. ~~Exxf~~ Ratnagiri, from so much of the said- sub rule (1) as requires such electrical installation work to be carried out by an electrical contracter licensed by the Provincial Goverment in that behalf subject to the fallowing conditions:-

(1) that the exemption shall apply so far as the wiring work carried out for their own use at Rajapur. Deorukh, Kankavli and Sangameshwar is concerned;

(2) that the entire wiring work shall be carried out under the direct supervision of a person holding a competency certificate whose name and permit number shall be communicated to the Electric Inspecter, Bombay Province;

(3) that the entire wiring work shall be carried out by certified wiremen whose names and permit numbers shall be communicated to the Electric Inspecter, Bombay Province.

(4) that no wiring work, which would constitute deviation from---

from the approved plan, shall be carried out without previous approval of the Electric Inspector, Bombay Province, as required by the rules for places of public amusement.
